

**Did you
get a lot of
name cards from
a large network conference but
without a real/additional Business**

Brain storm with our Logistics experts

We focus more quality...

- * Business referrals for our network members
- * From Online to Offline
- In different business categories

Are you struggling of a quote bidding
Because.....

Numerous member in your city
Within a same network ?

Pacific Global Association (PGA)

is not a sizeable logistic network,

PGA only allow Max. 3 members per city/port and focus on different specialty in logistics industry to let member work on the same supply chains with other members to satisfy the client demand or VAS plus.

Besides general "member seeking a business from a member", PGA more focus a functionality of our "O2O network" to source a high reality business referrals from Online network to our Offline logistics network.

Payment protection

PGA has not provided member to member payment protection scheme since establishment (In 2020), it was no money dispute & debts till the end of Mar 2021 among the members when they have been working together on a same chains for last 20 years. However, we understand that it does mean not happen in the coming future, so PGA is monitoring few most popular worldwide freight forwarder debts platform monthly to audit our new member and also watching any debts case belong to our current members.

PGA offer "[Honoris Causa](#)" to our Diamond member, [Honoris causa](#) (It is a free of charge benefit for Diamond member only).

This [Honoris causa](#) special highlights the credit and reliability of a Diamond member, the Association provide coverage, which is in case a Diamond member fails to pay to other valid members, the Association will provide USD20,000 (Maximum liability) for compensation to the lawful claimant.
